

“Park Lane”

Introducing the ‘Park Lane’. The latest addition to the Windsor Heritage Ltd street furniture range. The ‘Park Lane’ offers a fresh stylish look and is available in a range of colours and lengths. The ends are made from cast Aluminum (CC601) making it light weight and easy to handle. Because of it’s unique design, it also means that it can be packaged in a more compact Kit-set form. Easy to assemble and freight.
